## 2004 QUERENCIA

### NAPA AGRICULTURAL LAND PRESERVATION

Proceeds from the sale of Querencia contribute to the Jack L. Davies Fund, which supports agricultural preservation and education efforts in Napa County. Established by the Davies family in 1998 upon the passing of Schramsberg founder Jack Davies, the fund builds on his 30-year legacy as a strong advocate for the protection of agricultural land. Jack played an instrumental role in the establishment of the Napa Valley Agricultural Preserve in 1968, which has become a national model for the conservation of agricultural lands.

The wine was named by James Hickey, the Napa County planning director at the time of the establishment of the agricultural preserve. The name is a Spanish word meaning “the deep and abiding affection one has for the place one calls home.” It refers to the sense of being nourished by the place in which you belong, and the balance that exists between the land and its stewards.

Querencia is produced solely from fruit grown in the Napa Valley Carneros region. Chardonnay forms the blend’s core, providing a relatively light-bodied, crisp and tangy palate. Small additions of Pinot Noir fermented with skin contact add berry brightness and color. This brut rosé sparkling wine is hearty enough to compliment the robust flavors of Mediterranean cooking and delicate enough to be served with a truly broad range of appetizers.

#### Notes:

*“The 2004 Querencia’s Chardonnay backbone delivers a Brut Rosé that truly dances on the palate. Flavors of exotic guava, pomegranate, orange and ruby red grapefruit dominate with hints of pineapple and dried cranberry. While crisp and lively, it is also dense with layers of flavor leading to a long, tangy finish. As you raise your glasses filled with this lovely sparkling wine, you will be supporting the preservation of the very lands that produced it. Thank you!”*
