2023 PINOT NOIR

Ferrington Vineyards
Anderson Valley

The Davies family, of Schramsberg Vineyards and Davies Vineyards in the Napa Valley, is pleased to release its fifteenth vintage of Ferrington Vineyards Pinot Noir. The family's experience with Pinot Noir dates back to 1967, when Jack and Jamie Davies first used this elegant red varietal to make their inaugural vintage of Schramsberg Blanc de Noirs sparkling wine. Over the 58 years following that first use, Schramsberg's winemakers have built long-lasting relationships with some of the best Pinot Noir growers and vineyards along the North Coast. Developing upon this passion, history, and experience, second-generation Vintner Hugh Davies, along with Winemakers Sean Thompson, Jessica Koga and J.P. Pierce present this vineyard-designate Pinot Noir wine from the 2023 vintage.

The Ferrington Vineyards property, located approximately 100 miles north of San Francisco and 17 miles inland from the Pacific Ocean, is in a fertile pocket of land found at the edge of the northeastern foothills of Mendocino County's Anderson Valley. Between 360 and 440 feet above sea level, the vines utilize over six feet of Boontling and Pinole loam soil, sustainable farming practices, and deficit irrigation to produce approximately 2.5 tons per acre of bright, complex fruit with great balance. Cool, foggy nights and steadily warming days provide a long, even growing season which delivers mature fruit depth with a vibrant, acidic backbone.

The 2023 Anderson Valley vintage delivered exceptional quality despite a delayed start and a cooler summer. After years of drought, plentiful winter rain led to a milder growing season. Grapes benefited from the extended hang time which resulted in yields higher than average; many vineyards having the most bountiful harvest in recent memory.
