2023 CABERNET SAUVIGNON

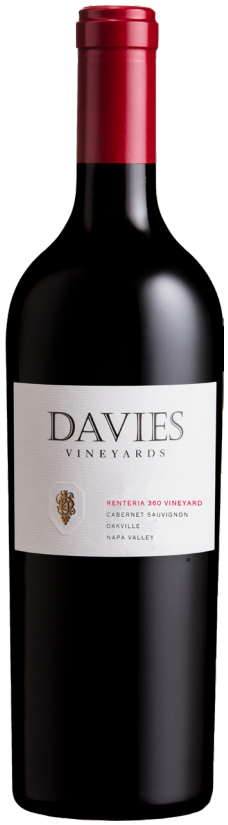
Renteria 360 Vineyard
Oakville, Napa Valley

The Davies family, proprietors of Schramsberg Vineyards and Davies Vineyards in the Napa Valley, presents its sixth bottling of the Renteria 360 Vineyard Cabernet Sauvignon from the Oakville District. Building upon its experience with its home property on Diamond Mountain in the valley's western Mayacamas Range, this bottling represents the Davies team's effort with the valley's Oakville appellation. Second-generation Vintner Hugh Davies, Head Winemaker Sean Thompson and Consultant Celia Welch have collaborated well together since 2008 in crafting Napa Valley Cabernet Sauvignons, and they are very proud to present this unique vineyard-designate bottling from the 2023 vintage.

The Oakville AVA extends over an expanse of well-drained gravel soil between the Vaca and Mayacamas Mountains. The soils found here are the result of sedimentary deposits from the hills that form Napa Valley. What makes Oakville's climate distinctive is its transitional, mid-valley location. Oakville is just far enough south to receive regular morning fog from the San Francisco and San Pablo bays, which slows the warming early in the day. But after the fog blows off by mid-morning, Oakville receives the full benefit of the Napa Valley sun. When afternoon temperatures begin to peak, the bay blows cool breezes north to begin this cooling cycle again.

The Renteria family has been farming in the Napa Valley since 1962. The Renteria 360 Vineyard is located on the north end of Oakville, at the border of Rutherford, just off the Silverado trail. The nearly 60-acre vineyard was planted in 2012 and is comprised of multiple blocks with different clone and rootstock combinations. This wine is crafted from three distinct blocks of Cabernet Sauvignon, planted to clones 4, 15, and 169. These clones combined create a wine rich in depth, color, and flavor.

The 2023 Napa Valley vintage is being hailed as one of the best in recent memory. After multiple years of drought, we finally had generous winter rainfall followed by a long, mild growing season. The cooler summer allowed for extended hang time and a much later-than-usual harvest. Higher than average yields resulted in vibrant, fresh, and elegant wines.



Tasting Notes

"Our 2023 Davies Vineyards 'Renteria 360 Vineyard' Cabernet Sauvignon features expressive aromas of currant, cassis, cherry, and orange zest, complemented by hints of nutmeg, thyme, and vanilla bean. The palate opens with flavors of blueberry and espresso, leading to a rich chocolate center. Lively acidity supports fine, tight grain tannins on the finish."
